Far above Columbia's waters,
With its waves of blue
Stands our noble Alma Mater,
Glorious to view.

(Chorus)

Lift the chorus, speed it onward
Praise her to the sky.
Hail to thee, our Alma Mater,
Hail Astoria High.

Side by side we stand together,
High her banners hold.
Rearing high in pride and glory
Purple and the Gold.

(Chorus)

(Repeat)

School History

Although the first official schools were built and opened in Astoria in the early '80's, it was not until 1890 that a public high school was maintained on the top floor of the McClure school. In 1893 the first class was graduated with three members.

In 1911 the high school on Jerome Ave. between 16th and 17th streets was built. One of the first Student Councils in the country was established in AHS in 1917.

During the Thankgiving vacation in 1942 much of the main high school building was destroyed by fire. Within a week's time school was set up in the AHS gym, some empty rooms at Lewis and Clark Junior high school, and the Presbyterian Annex.

In 1957 the present Astoria High School was built and in 1958 a Community College was set up to run from 4 to 10 p.m. five evenings a week. From this beginning in adult education, Clatsop College emerged.

Astoria High School students are noted for their school spirit. This sporit is especially observed by the attendance at all games and activities, and the support for the teams.

Astoria's student body is always willing to serve its school in any way.

At this time the AHS student body would like to welcome you to the school. There are many opportunities waiting for you, so take advantage of them; make the most of them.

Regulations

Requirements For Graduation

One hundred fifty (150) hours of credit are required for graduation from Astoria High School which must include thirty hours of English, thirty hours of social studies, twenty hours of physical education, ten hours of mathematics, and ten hours of biology. All students are required to take at least five subjects each year. One year of a subject is ten hours. Transfer students must attend a minimum of one semester at Astoria High School.

Report Cards

Report cards are issued after each nine-week grading period. An "A" indicates superior achievement, "B" work is very satisfactory, "C" is average, "D" denotes poor achievement, "U" means failure. The final grade is the accumulative grade earned in a semester, and is not necessarily an average of the two nine week periods.

Attendance

Regular attendance is essential for success in school. Absence from school is judged in accordance with the compulsory education law of the State of Oregon, which states as follows: "No excuse shall be accepted by any principal or teacher unless such absence was caused by the pupil's sickness, or by the sickness of some member of the pupil's family, or in case of an emergency, provided the principal or teacher may excuse for other reasons where satisfactory arrangements are made in advance."

In order to avoid delay in readmitting a student after an absence from school the parent is requested to call the attendance office, 325-3911, in the morning of the day of absence. The excuse will be forwarded to the teachers and a student may report directly to class upon returning. When the parent fails to call the attendance office, the student is to report to the attendance office upon returning with a written excuse from the parents as to the reason for the absence. Clearance will be granted and the student may report to class.

When absences are known in advance for doctor's or dental appointments, funerals, trips, or school activities; excuses from home should be brought in at least one day prior to the absence. Students will have an opportunity to make up the work for pre-arranged absences whether they are excused or unexcused. It is the student's responsibility to see that the make-up work is completed within a short period of time. However, it will be done at the teachers convenience, not the students. For all unexcused absences that are not pre-arranged, the student will receive a failing mark in each subject missed. Pre-arranged unexcused absences for hunting may be honored if the student is going with his parents, and his school work is completed before leaving.

Students are not allowed to leave the schoolgrounds during school hours without permission from the administration. Students who become ill during school hours will report to the assistant principal or counselors for transportation arrangements. Students who leave during school hours must sign the "sign-out" book in the business office.

Requests For Home Assignments

Students who have been, or will be, absent five consecutive days should request the assignments for that period of time. Students absent for shorter periods should obtain assignments, from their teacher, or classmates.

Tardiness

Failure to be present in the classroom BEFORE the tardy bell rings constitutes tardiness. Running, pushing, or jumping through the classroom door while the bell is ringing, is tardiness. Each teacher has authority from the Principal to establish classroom regulations with regard to conduct and seating habits after the student has entered. All tardinesses whether a slip is required or not are recorded in the office. Persistent tardiness will necessitate disciplinary action.

Class Changes And Drops

Students who desire to change their schedule should come to the office after the first week of school. Schedule changes will require the signatures of all teachers involved as well as a signature from parents, and must have the approval of the director of test and guidance. Students who drop a class after the first nine weeks will have the grade earned recorded on the transcript, but no credit will be given. Classes dropped within the first nine weeks of a semester will not be shown on your transcript.

Hall Conduct

1. Observe right lane of hall.
2. Do not obstruct passages in halls by standing and talking.
3. No fighting or scuffling in the halls — even in fun.
4. No display of affection toward the opposite sex; this includes hand-holding, embracing, etc., etc., etc.
5. Eating or drinking in the halls or the classroom is prohibited.

Visitors

A visitor must obtain a permit from the office, authorizing him to be in the building.

Withdrawal From School

A student wishing to withdraw from school at any time during the year must bring a note of explanation, signed by a parent or guirdian, to the office. The student is then given a release form to be signed by each of his teachers. All books must be turned in and the librarian's signature must be obtained before any refunds will be paid. Refunds will be made on a pro-rated basis determined by the length of the school year remaining. Transcripts will not be forwarded until all fines and bills are paid, or until the student is properly released.

Transcript Of High School Credits

Official transcripts of high school credits are requested by colleges and places of employment when an application is submitted. Students are not given copies to mail or to take with them. All transcripts must be mailed by the high school to the requesting agency.

After January 25, the first two transcripts for a student will be sent free of charge. Additional copies will be $1.00 each. The fee must be paid before the transcript is sent.

Students are encouraged not to wait until the last minute to make requests for transcripts; applications are often delayed because students have not turned them in on time In some instances colleges will ask for a complete transcript to be mailed after graduation. Students should make arrangements in advance, so that this will not hold up action on applications.

A complete record of transcripts that have been mailed will be kept in the office.

The Library

As in all libraries, whether school or public, an atmosphere of quietness and orderliness must be maintained. The library is open from 7:45 A.M. to 4:30 P.M. The

A penalty of two cents a day is charged for fines not paid when book is returned late.

Study Hall Regulations

Many students do not utilize study hall periods wisely. This is not a period for play or sleep. If you elect a study period, it is assumed that this period will be used for study. Study halls should be quiet and orderly. Permission to study together must be granted by the instructor. Students who desire to go to the other rooms during this period must have a slip signed by the teacher in charge and signed by the study hall instructor at the start of the period before permission will be granted.

Requests for room passes to go to lockers, lavatories, will not be granted without good reason. Students should come to class prepared to work.

Cafeteria, Snack Bar, Beverage Machine

The snack bar is open for students' convenience during the break and during lunch periods. All food should be consumed in the cafeteria or in the breezeway adjacent to the cafeteria. All cups, napkins, papers, etc., should be placed in the receptacles for that purpose.

Students are responsible for returning trays to the washing window. Running in the breezway or crowding in line will not be permitted

Students are requested to stay off the grass during the lunch periods, the break, and between classes unless the grass is dry. Horse-play, or loud noises in the grass courtyard are very disturbing to classes in session. Playing catch in this area is not allowed.

Lockers

Lockers and combinations are issued to students at the start of the school year. The school is not responsible for missing items in the lockers as the combinations are changed every summer and you are the only person who should get into your locker. If you desire a combination change for one reason or another, come to the Assistant Principal's office.

Lost And Found

For your convenience and benefit, a lost-and-found department is maintained in the main office. All articles that are found should be turned in. Articles that are not picked up at the end of the school year will be given to a rummage sale.

Telephone

Pay telephones are located in the breezeway in front of the cafeteria and in Sports Hall. The phone in the business office should be used only for school business or emergencies.

Defacing Property

Oregon school laws makes it a misdemeanor, punishable by fine or imprisonment, or both, to mark, deface, or destroy public school property. Astoria High students are proud of their school and appreciate the investment made by the taxpayers of this community for their use.

All students are urged to respect this tradition and refrain from marking or defacing desks, walls, or any other part of the building. Students guilty of misdemeanor will be required to pay for damage and may be suspended from school.

Counseling Offices

The school guidance service provides opportunity for students to have conferences with the counselors. These counselors will help students with personal and social problems, planning their high school programs, class schedule changes, post-high school education, and vocations. Information about vocations, scholarships, colleges, college entrance examinations, aptitude tests, achievement tests, part-time work, and military services are available.

Bus Rules

The following rules are to be followed on all CHARTERED TRIPS:

2. Reservxed parking spaces (when available) in the student parking lot will be assigned to all registered automobiles. Students are not to use faculty or visitors' parking spaces at any time school is in session.
3. A small sticker with the number of the assigned spot will be given at time of registration. It should be stuck on the rear window of the car.
4. Automobiles are to be used only for transportation to and from school. All automobiles *are to be locked* while in the parking lot and *students are not to have access to cars during school hours.* Cars are off limits during school hours, between periods, during the break and during lunch periods. A note from parents is required for those students who wish to go home for lunch. Only under extreme conditions will students be permitted to leave the grounds during lunch time.
5. Students are reminded that it is against the law for students to smoke or be in possession of tobacco on the school property or adjacent to it. This includes the parking lot area and in your automobile.
6. Student owners will be held responsible for any incidents involving their automobiles.
7. The street behind the school and the bus turnaround is out of bounds for all automobiles during school hours because the street is used by fire trucks and school buses, and also the noise is a distraction to students in classes.
8. Failure eto abide by the above listed regulations will be cause for disciplinary action which may include revocation of the privilege of using the school parking lot and/or suspension from school.

Smoking On Grounds

Whereas, it is illegal for young people to smoke; and whereas, this action reflects upon the reputation of Astoria High School; and whereas, evidence indicates it is dangerous to one's health; and whereas, a large percentage of students desire a more definite policy concerning smoking; therefore, be it resolved that the following specific rules be established:

1. Absolutely no smoking or possession of tobacco on school property. This includes the parking lot and area surrounding the school. A student is under school regulation from the time he or she leaves home to come to school, until he or she returns home or a reasonable time therein.
2. Students who wear any uniform or insignia which identifies them as representatives of Astoria High School will not be allowed to smoke while wearing the uniform or insignia.
3. Disciplinary action will come from the office. The cooperation of the student will determine the specific action taken by the administration.

Dance Rules

1. After-game dances will terminate at 11:15 P.M.
2. The sponsoring group is responsible for clean-up. All after-game dance clean-up activities will be done the night of the dance.
3. At least three chaperones will be at each dance.
4. Each student is entitled to bring one guest. A guest card must be obtained in the office by 4 P.M. the day of the dance. This card must be signed by the advisor first, then the principal. The student must accompany the invited guest, and be personally responsible for the guest's behavior. No junior high students are allowed to attend high school dances by board policy.
5. The lights are to be regulated by the advisor and should be of such intensity that all areas of the dance floor are visible.
6. The music is the responsibility of the sponsoring club and the dance coordinator. Any contract must be signed by the principal to be valid.
7. Students leaving the dance for any other reason than to go to the rest room may not return to the dance.
8. Kitchen and snack bars are off limits; no borrowing of materials will be allowed.
9. Any other school rules, such as smoking, dress, conduct, etc., are in effect as this is a school sponsored activity.
10. A league rule states that students are not permitted to attend other school's after-game dances.

Hazing

No student or other person in attendance at any school, college or any other educational institution shall conspire to haze or engage in hazing or commit any act that injures, degrades or disgraces any fellow student or person attending such institution. Violators will be suspended from school.

Assemblies

Assemblies are a part of the students regular school day, and attendance is required unless specifically announced for

that occasion.

Students should proceed immediately to the assembly hall, and should not leave the assembly unless they are excused. Students will not be admitted after the assembly begins.

Failure to follow acceptable manners will cause one to lose assembly privileges.

Pep assemblies will be held in the afternoon. Sophomore attendance is required. Juniors and Seniors will be determined by their school spirit.

Standards Of Behavior

SATISFACTORY BEHAVIOR REQUIRES THAT STUDENTS:

1. OBSERVE THE LAW
   Smoking, gambling, drinking, profanity and obscenity are in direct violation of the law. Violations subject a student to suspension from school.
2. OBSERVE ALL ATTENDANCE REGULATIONS
   Truancy and tardiness affect your education and may cause suspension from school.
3. OBSERVE PROPER RESPECT TO YOUR TEACHERS AND FELLOW STUDENTS
   Rudeness, discourteousness, insubordination are not to be tolerated by a teacher at any time.
4. OBSERVE PROPER GROOMING AND DRESS FOR THE PARTICULAR OCCASION
   Extreme or conspicuous styles are not appropriate. All clothes should be neat and clean at all times. Sideburns below the bottom of the ears and beards are not to be grown. Hair cuts should be appropriate for school attendance.
5. OBSERVE SCHOOL REGULATIONS AND RULES OF GOOD TASTE
   Public display of affection is never in good taste. Hazing and fighting are never tolerated and are cause for immediate suspension.

Requisitions

Requisitions are requests for permission to spend monies that are on deposit in the Associated Student Body accounts. All Student Body money, club money, class fees, etc., are included in these accounts. No expenditures are to be made without the PRIOR approval of a completed requisition. Do not make school purchases with your own money and expect reimbursement.

If a change, correction, or addition, is made, it should be cleared with the office secretary before ANY purchase is made.

If several items are to be purchased from one store, they may be listed on one requisition. If several items are to be purchased from different stores, a requisition is required for each store.

If a requisition is made out, and for some reason is not used, it MUST BE RETURNED TO THE OFFICE AND "VOIDED." These must be cleared each month.

Advisors will be notified of any outstanding requisitions on the 15th of each month.

Traditions

Each year the students at AHS carry out certain activities set up by former students. We shall try to mention a few of these.

"HELLO DAY" is one of the first days of school. Its purpose is to help old and new students become acquainted. Hello tags are given out by the Service Club, the sponsors of this day. Students are to say "Hello" to everyone they meet all day long.

All games and pep assemblies are closed with the singing of the Alma Mater.

SADIE HAWKINS is a dance sponsored by the Service Club. It is a girl-ask-boy affair. Informal clothes are worn.

During the year different clubs sponsor various dances which are open to all students. These are usually informal and school clothes are in order. All outside dates must have guest cards signed by an advisor and the principal.

The SENIOR BALL is a semi-formal dance given entirely by the seniors and their advisors.

The SOPH HOP is a cotton and cord dance given by the sophomore class. This dance usually signifies the spring season.

The JUNIOR PROM is held in the spring of the year. This dance is presented as the last major social event for the seniors.

An All-Sports Banquet for all students participating in athletics is held during the latter part of May.

Student Body Elections are held in April after three days of campaigning. In May the new officers are installed by the outgoing officers in a formal ceremony.

CLASS DAY is the last assembly of the school year, when seniors are recognized for their outstanding school achievements.

After completing three years at AHS, the day finally arrives, GRADUATION! "Pomp and Circumstance" echoes through the gym as each senior receives his diploma.

The SENIOR DOOR is located on the west side of the auditorium. No underclassmen are allowed to use this door.

Let us all remember these traditions and hold in mind that it takes full student body cooperation to make them a success. It is up to YOU!

Visiting Teams

Relationship between schools are often strained by small oversights and by the actions of some thoughtless group or individuals. We as members of Astoria High School should never permit this to happen. We should extend every effort to be friendly and fair to all visitors.

We want to out-play them and out-yell them, but we shall not gain a complete victory unless we extend every courtesy to our visitors before, during, and after the game.

It might be well to keep in mind a State Association rule closely related to this point. Article 7, Section 13 of the State Athletic Rule states:

> "Any school whose students, supporters, rooters, or partisans take part in: riots, fights, pilfering, painting, or any unsportsmanlike conduct against any other school in the Association shall forfeit all games played and won; and shall be automatically suspended for an indefinite period from the Association."

A yell queen or king is elected each year for the school year in a separate election by the student body.

Pepsters

To help promote pep and spirit at sports activities are the Pepsters. They are composed of seven girls and an alternate, either junior or senior, each wearing a letter making up the name Astoria. They are elected by the student body to lead songs and work with the Rally Squad.

Procedure For Selection Of Courts

The student council executive committee will be responsible for the selection procedures of the courts. The student council advisor, assistant principal, and dean of girls will serve as advisors to the procedures, court nominees, and the escorts.

Astor Post

The Astor Post staff is open to all students interested in working on the paper. Editors and column writers are not the only persons involved in publishing the POST. There are many hard working students, "the men behind the headlines," who cooperate with department heads to meet the deadlines. The typists, headliners, proofreaders, reporters, feature writers, all devote their time and talents to put out Astoria High's newspaper.

Fisherman Log

The Fisherman's Log is a booklet put out by the students of Astoria High School. Its purpose is to acquaint the students with activities, clubs, and traditions of the school. It contains information which proves very helpful to the new student.

Zephyrus

The 1958-59 school year marked the beginning of a new tradition, the Fall distribution of the Zephyrus Annual. Many hours of hard work are put into the year book by the members of the staff.

Student Store

The student store is located adjacent to the cafeteria. It is open before school and at noon.

Time Allowance For Clubs

1. Girls' League and Boys' Federation meetings may be scheduled four times a year. The time is taken from the school day. The Girls' League also sponsors a Thanksgiving and an Easter Program.
2. Groups may meet during the break and after school until 7:00 P.M. on Monday, Tuesday, and Friday. No meetings may be scheduled for Wednesday because of an agreement with the Astoria Ministerial Association.
3. Special arrangements have been approved for groups who wish evening meetings for special events such as initiations, guest speakers, etc.
4. Student Council meetings are held during a class period. Each meeting is scheduled to be held during a different period, if possible.
